- github.com/DrewLickman/Code-Runner

PROFESSIONAL EXPERIENCE

Student Technology Assistant (Team Leader) | MTSU Walker Library

Spring 2022 - Winter 2025

As a Student Technology Assistant (Team Leader), I spearheaded technological initiatives and led team development efforts. My role focused on implementing innovative solutions while maintaining high standards of technical support and training.

- Led development of interactive educational tools, enhancing user experience through innovative design
- Trained and mentored team members on emerging technologies and best practices
- Created comprehensive documentation and training materials to improve team efficiency

Club Officer & Secretary | MTSU Esports Club

2020 - 2022

- Organized and executed successful online and in-person gaming events, increasing club membership through strategic initiatives and coordinated club leadership
- Developed engagement strategies that enhanced member participation and community building
- Received "Outstanding Student" medal for exceptional contributions to club growth and event success
